Company Announcements Office
ASX Limited

**Santa Fe Minerals to be reinstated to Official Quotation
and commence trading on ASX**

Santa Fe Minerals Ltd (ASX: SFM) (**SFM, the Company**) is pleased to announce that the securities of the Company will be reinstated to Official Quotation from the commencement of trading on 22 November 2017, following the completion of recompliance with the ASX Listing Rules.

All conditions precedent to the Company's agreement to acquire a 100% interest in the Challa North and Challa South gold and base metals projects (Projects) have now been satisfied.

The Company successfully raised \$1 million under a public offer as part of its relisting and is well placed to carry out its exploration programmes on the Projects. The Company's Board looks forward to developing a successful Western Australian gold and base metals exploration company and delivering value for all shareholders.
